

## Headlamp Bracket Repair Kits in Glassmatix

15 December 2011

- Headlamp bracket repair kits are now becoming increasingly available from vehicle manufacturers and are often a much cheaper option to headlamp replacement.
- For example, on the Audi A4 Saloon shown below, the headlamp bracket repair kit is £14.80 in comparison with a replacement headlamp assembly at £165.55. A saving of 150.75 on the parts cost.

The screenshot shows the Glassmatix software interface for an Audi A4. On the left, there are two views of the car. The central pane displays a tree view for 'HEADLAMP' with the following items:

- HALOGEN
  - 1 Headlamp Assy
  - 2 Bulb, Headlamp (2/Side) (a)
  - 3 Bulb/Holder, Indicator (a)
  - 4 Bulb/Holder, Side Lamp (a)
  - 5 Cover, Dust (a)
  - 6 Adjuster, Headlamp (a)
  - 7 Bracket, Headlamp (a)
  - 8 Brace, Headlamp (a)
  - 9 Cover, Indicator Bulb
  - 10 Cover, Side Lamp
  - 11 Holder, Headlamp
  - 12 Support, Headlamp
  - Repair Kit, Bracket
    - Right 14.80
    - Left 14.80
- XENON

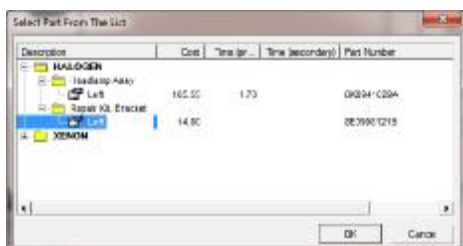

On the right, a technical diagram shows the headlamp assembly with numbered callouts (1-12) corresponding to the parts list. Below the diagram is a table with the following data:
